Bonnie is a Growing Great Kids Curriculum Trainer who lives in the Yukon Territory in Canada amidst the natural world of mountains and animals. She was a home visitor for 29 years, using the GGK Curriculum for the last 8 years of her early intervention family practice. Bonnie has stood alongside the First Nation Community in the Yukon as an ally, always being open to how they teach her about respect, courage and acceptance. She became the GGK Curriculum Trainer for the Yukon in 2012 and went onto become an international Trainer with Great Kids Inc. in 2014. She is very passionate about supporting home visitors in their endeavors to nurture healthy parent child attachment and all other areas of growth that go along with being a parent. She wants home visitors to have the tools that will really result in parents feeling empowered to be loving and present to our next generation.

Bonnie has been a practitioner of yoga for over 27 years and has been teaching yoga privately and in class settings for 23 years. Yoga continues to offer her increased depths of self-awareness and a place to return to for continual nourishment.
