

Claudia Oviedo
Trainer

Claudia started her work with families in 2004 when she became a Home Visitor for the Healthy Families America (HFA) program in Patterson, NJ. In 2008 Claudia moved to Nashville TN, where she continued her work with families working for Prevent Child Abuse Tennessee. While working for Prevent Child Abuse Tennessee, Claudia wore many hats, serving as a Parent Coordinator, Parent Visitor, Supervisor, Program Manager and Program Director. Under Claudia's direct supervision all PCAT HFTN sites successfully completed the process of being awarded accredited status with Healthy Families America. Claudia is a certified Trainer for the Growing Great Kids Curriculum, Integrated Strategies for Home Visitors and Parent Survey for Home Visitors training. She believes wholeheartedly in supporting families to become the best they can be. Claudia received her Bachelor's degree from Montclair State University in Montclair, NJ.
